

**KRAFT SPORTS GROUP MARKETING INTERNSHIPS
NEW ENGLAND PATRIOTS
NEW ENGLAND REVOLUTION
PATRIOT PLACE**

Thank you for your interest in the Marketing Department of the Kraft Sports Group. The Marketing Department is responsible for all of the sales and marketing operations for the New England Patriots, New England Revolution, and Patriot Place. Marketing internships are offered during the spring, summer, and fall semesters. Students conducting full-time internships during each of these semesters work two to five days a week in the office as well as game days and marketing events. Students with limited time commitment can apply for a game days and marketing events internship. All internships must be completed for academic credit through their university or college. All internships are based out of Gillette Stadium in Foxborough, MA. Public transportation does not run to the stadium on non-Patriot home game days; therefore, applicants must have his/her own source of transportation.

Below is an outline of the various internship opportunities at the Kraft Sports Group. Please indicate if you have a preference when you apply.
