

## **CAMPUS ADVISORY - 11/01/2010**

The Worcester State University Police have received information of an alleged sexual assault which reportedly occurred within the residence halls this past weekend. Information provided indicates the incident involved two members of the Worcester State University Community.

Allegedly, alcohol was a contributing factor in the assault.

### **As a result, please;**

- Limit alcohol consumption
- Tell someone where you will be, who you will be with and when you'll return
- Trust your instincts
- Option for assistance are available through Counseling Services 508.929.8073 and University Police 508.929.8911/8044.
- Use Common Sense
- Be mindful of personal safety at all times

Rosemary Naughton  
Chief of University Police
