Spring 2012

Greetings from your senior class officers! We hope that everyone has had a great holiday season and is ready to get back to work and finish our home stretch to graduation strong! We have some great events planned for the remainder of school year. In this newsletter you will find information on the remainder of the senior events. It is our hope that these events will help relieve some of the stress of senior year and graduation! We encourage you to join us in as many events as possible.
