A Message from Barry M. Maloney,
President of Worcester State University

You have made a wise choice in selecting Worcester State University. According to The Princeton Review, WSU is a “Best in the Northeast,” based on student surveys of quality, and is a “Most Environmentally Responsible” college. Payscale.com says we are one of the best “Return on Investment” colleges; Money Magazine indicates we are a great value; and Worcester Magazine readers have named us the best college in Worcester for many years in a row. You join about 30,000 students at 10 area campuses who make Worcester a college town.

At WSU, the student is the most important person on our campus. Whether you are a commuter or you live in one of our award-winning residence halls, take advantage of all we have to offer you. Opportunities are here – to engage in sports, clubs, performances, lectures, art gallery exhibits, and more.

Our neighborhood campus is blocks away from a wide variety of cultural, recreational, and entertainment venues that the second largest city in New England provides, and Boston is just an hour away. While most of your classmates are from Massachusetts and nearby states, we also educate those who hail from dozens of other nations. And all students have access to many “study away” opportunities that can take you across the nation and around the globe.

We will do all we can to provide you with a high-quality education. Our aim is to ensure that you graduate prepared not only for a career or graduate school, but also for active, engaged participation in community and global affairs. I encourage you to get to know your faculty and fellow students. Join something. Get involved.

Welcome, from the entire WSU family. It is great to have you here.

Sincerely,

Barry M. Maloney
President

We are delighted that you chose us. The entire community welcomes you and wishes you a successful year.

Worcester State University’s Mission

Worcester State University, a public metropolitan institution of higher learning located in a culturally vibrant region of the Commonwealth, affirms the principles of liberal learning as the foundation for all advanced programs of study.

Worcester State University offers programs in the traditional liberal arts and sciences disciplines, while maintaining its historical focus on teacher education. It has expanded its offerings with professional degree programs in biomedical sciences, business, and the health professions. Through its curricula, Worcester State addresses the intellectual and career needs of the increasingly diverse citizenry of central Massachusetts.

Worcester State is dedicated to offering high quality, affordable undergraduate and graduate academic programs and to promoting the lifelong intellectual growth, global awareness, and career opportunities of its students. To this end, Worcester State values teaching excellence rooted in scholarship and community service; cooperates with the business, social, and cultural resources of Worcester County; collaborates with other institutions of higher learning in the region; and develops new programs responsive to emerging community needs.
The mission of the Division of Student Affairs is to promote and enrich students’ education through a seamless learning environment that enhances the classroom learning experiences. This is fostered by interacting with students in their everyday lives through teaching, mentoring, advising and counseling.

Student Affairs educates students in responsible community living, social intelligence, appreciation for the arts, leadership skills, ethical behavior, civility, coping with adversity, health and wellness, valuing diversity, trusteeship, character development, spiritual growth, problem-solving, responsible choices, and adaptive skills for living in an ever-changing society.
Student Rights and Responsibilities

Drug-Free Schools and Communities Act

Worcester State is committed to the well-being of our students, therefore embraces the Drug-Free Schools and Communities Act of 1989 requirements; that every higher education institution that receives Federal funding is to implement a drug and alcohol abuse prevention program (DAAPP). The purpose of this program is to provide an environment that is free from the use, sale, possession, or distribution of illegal drugs or the improper or abusive use of legal drugs or alcohol on Worcester State premises.

Students who violate this policy will be subject to disciplinary action up to, and including expulsion from Worcester State. Students who are found responsible for the unlawful sale or distribution of illicit drugs will be suspended, dismissed or expelled from Worcester State.

Students may confidentially obtain information regarding resources such as counseling and rehabilitation services from The Office of Health Promotion, Student Center, Suite 338 or Worcester State’s Counseling Center, Student Center Suite 325.

Worcester State University Statement of Community and Free Speech

Worcester State University (WSU) is a collaborative and vibrant community for learning, critical inquiry, research and discovery, as well as a place of civility and respect. When engaging with one another or acting on behalf of WSU, each member of the WSU community is expected to uphold the following principles of the Strategic Plan:

- Academic Excellence
- Engaged Citizenship
- Open Exchange of Ideas
- Diversity and Inclusiveness
- Civility and Integrity
WSU is an inclusive community that supports each person’s First Amendment right to express opinions and ideas, including unpopular or controversial viewpoints, without governmental interference, retaliation or punishment. WSU also protects each community member’s right to an environment free from discrimination and harassment based on characteristics protected by law.

Although WSU supports all forms of constitutionally protected expression, the community must understand that certain types of expression are not protected and may be subject to discipline by WSU. For example:

- Incitement of imminent lawless action, raising false alarms regarding imminent personal danger, and engaging in threats of violence or unlawful discrimination, harassment or retaliation are forms of conduct subject to discipline.

- Conduct that violates WSU rules, such as destruction of property, endangering the safety of others, assault, or interfering with campus operations, even if it occurs in connection with expressive activities or is motivated by expressive concerns, is also subject to discipline.

WSU may also impose reasonable limits on the time, place and manner of expressive activities for the purposes of assuring and that the administrative functions supporting WSU’s mission continue and that all community members are able to learn, teach and work safely and without disruption.
Family Educational Rights and Privacy Act

WSU complies fully with the provisions of the Family Educational Rights and Privacy Act of 1974 as amended. This federal law protects the privacy of education records and establishes the rights of students to:

1. Inspect and review their education records within 45 days of the day WSU receives a request for access.

   Students should submit to the registrar, dean, head of the academic department or other appropriate official, written requests that identify the record(s) they wish to inspect. The WSU official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the WSU official to whom the request was submitted does not maintain the records, that official shall advise the student of the correct official to whom the request should be addressed.

2. Request the amendment of the education records that the student believes are inaccurate or misleading.

   Students may ask WSU to amend a record that they believe is inaccurate or misleading. They should write to the WSU official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

   If WSU decides not to amend the record as requested by the student, WSU will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. To file a complaint with the U.S. Department of Education concerning the alleged failures by WSU to comply with the requirements of FERPA, the name and address of the office that administers FERPA is:

   Family Policy Compliance Office Department of Education
   Independence Avenue, SW Washington, DC 20202-4605

   WSU accords all the rights under the law to students who are declared independent. No one outside the institution shall have access to nor will the institution disclose any information from students’ education records without the written consent of students with the exception of the following:
• WSU officials within the institution
• officials of other institutions in which students seek to enroll
• persons or organizations providing students’ financial aid
• accrediting agencies carrying out their accreditation function
• persons in compliance with a judicial order
• persons in an emergency in order to protect the health or safety of students or other persons.

All these exceptions are permitted under the Act. A WSU official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. A WSU official is:

• a person employed by Worcester State in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff).
• a person or company with whom Worcester State has contracted (such as a consultant, contractor, volunteer or other party to whom Worcester State has outsourced institutional services or functions).
• a person serving on the Board of Trustees
• a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

At its discretion the institution may provide directory information in accordance with the provisions of the Act to include:

• student’s name
• address
• photograph
• date and place of birth
• major field of study
• grade level
• degree
• recent school attended
• enrollment status
• dates of attendance
• participants in officially recognized activities and sports
• weight and height of athletic teams
• honors/awards.

Directory information does NOT include a student’s social security number or student identification number.
Currently enrolled students may withhold disclosure of directory information by notifying the registrar in writing of the request prior to the end of the first week of classes in the Fall. Such requests will be honored for the duration of the academic year—September through August; therefore, authorization to withhold directory information must be filed annually with the registrar. WSU assumes that failure on the part of the student to specifically request the withholding of categories of directory information indicates individual approval of disclosure.

A request to withhold the above data in no way restricts internal use of the material by WSU.

In compliance with the Family Educational Rights and Privacy Act of 1974, as amended, WSU reserves the right to disclose information to parents of a student under 18 and/or the parents of a student who is dependent upon such parents for federal income tax purposes.

Sustainability—Chartwells at WSU has recently partnered with Red’s Best, a Massachusetts based fishing organization that employs local fishing vessels off the coast of Cape Cod. We believe in the importance of purchasing sustainable seafood and supporting local organizations. We fully support local farmers and purchase locally grown and fair trade products when possible through our partnership with Sid Wainer and Sardilli. Our Sheehan Hall Pulse on Dining is a Carbon FoodPrint facility, using a web-based program to minimize the carbon foodprint of the operation. We also use a food waste dehydration system that allows us to heat and cook food waste that can then be used by a compost company as soil. In 2015 WSU was named the National Food Recovery Challenge winner. Together we can make a difference.

Health Risks

Alcohol and drugs can contribute to negative consequences that can affect virtually all Worcester State students’ health and academic achievement whether they choose to drink or not.

Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol cause marked impairments in higher mental functions subjecting themselves to the possibility of lowered academic performance, dependence, unwanted/unprotected sex, assault, violence or injury. Very high doses cause respiratory depression and death. Students who choose not to drink experience second hand consequences that are often compounded or created by others substance use. In addition to physical sexual advances or assault, these students also experience damaged property, disrupted sleep and study.

Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to product withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life-threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, can also lead to permanent damage to vital organs such as the brain and the liver.

WSU offers a comprehensive, multi-tiered approach to alcohol education and prevention. Services and resources are available for students, through the Office of Health and Promotion, Counseling Services, Health Services, University Police and Residence Life.

The Office of Health Promotion is located on the third floor of the Student Center, Room 338 or visit us online at www.worcester.edu/Health-Promotion.
International Programs

The International Programs Office (IPO) at WSU bears the dual responsibilities of advocating internationalization on our campus as well as promoting academic and cultural exchanges within the global community.

The IPO serves WSU students in implementing their academic goals, specifically in international education. Students are encouraged to study abroad during their tenure at WSU. Through direct exchanges and a variety of program providers, WSU offers study abroad opportunities in virtually every part of the world. With the recent membership in the National Student Exchange (NSE), students now have the ability to exchange with nearly 200 institutions in the United States, Canada and U.S. territories.

The IPO collaborates with WSU academic departments to develop short-term faculty-led programs abroad. These faculty-led programs allow students to interact with their professors more closely while studying abroad as well as to conduct valuable first hand research. Students in all academic levels are welcome to participate.

WSU students with a minimum of a sophomore standing and a cumulative GPA of 2.7 are eligible to study abroad. Students are encouraged to plan their study abroad experience as early as possible. This can be done by making an appointment with the study abroad advisor. Interested students may study abroad for a summer, a semester, or an academic year. Eligible students should contact the International Programs office at 508-929-8305 or visit our office in the Student Center, Suite 317.

With respect to international students and visiting scholars, WSU is authorized under federal law to issue forms I-20 and DS-2019 for academic study, teaching or research at our campus. All international students must have a valid visa to travel to the U.S. and students are required to study full time. Under the policy of the Department of Homeland Security, all international students must report to the IPO after their initial entry to the U.S., which can be done at the orientation session before the start of each semester. International students should contact the IPO by calling 508-929-8305 or coming to the office. For more information please visit our website at www.worcester.edu/Study-Away.

Student Center

The Student Center is available as a resource for the entire WSU community and is conveniently situated at the geographical center of the campus. The facility contains a food court, lounges; and the very popular Living Room, a gathering place for students; offices for Student Affairs personnel and student organizations; a student-run print center; a fitness center; an exhibit area; bookstore and meeting rooms. The entire Student Center is the living room of the campus. It is where students, faculty and staff gather to meet and socialize and to create community. It is also a place where students have numerous opportunities to learn and practice leadership, programming, management and interpersonal skills.
Student Government Association
and Student Senate

WSU encourages freedom of thought, a diversity of ideas and concerns and boundless co-curricular opportunities. It is the belief of WSU that student participation in all aspects of campus life is an integral part of the education process.

Students are encouraged to become involved and provide the student perspective in the planning and implementation of WSU policy, events and activities. There are three types of student activities and organizations you should be aware of – you support them directly with your fee money.

The three types of student organizations in the SGA are:

- major organizations
- special interest clubs
- club sports

Student Senate
The Student Senate is the representative body of the entire undergraduate student population

All undergraduate students, upon payment of their tuition and Student Activity fee are encouraged to become active in the SGA and Student Senate by running for elected positions, voting in campus elections, applying for appointments to WSU governance committees, or by just attending open public or planned events. The Student Government Office is located on the third floor of the Student Center. The telephone number is 508-929-8655.

The purpose of the Student Government is to be the primary advocate of student rights and to be involved with the formation of WSU policy. The Student Senate serves as a vehicle of communication among the students, administration and faculty.

All services and activities sponsored by the Student and Student Senate and the organizations it funds are provided by a Student Activity fee each student pays on his/her tuition bill. These organizations are run by students who volunteer their time, effort and ability. This sense of interest and concern for other students is what makes the Student Senate a meaningful and successful organization.
Students who become involved in the Student Government and Senate and the many clubs and organizations it funds have a unique opportunity to acquire and develop specific skills: you learn how to work with other people and their ideas; plan, organize, set goals and achieve them. At the same time, you’re learning about your individual strengths and weaknesses.

There are three branches of the Student Government:

Student Trustee
In the academic year 1981-82, the Massachusetts legislature voted to include one student of the Board of Trustees at each college in the state college system. Although he/she is not an official Student Government Association officer, the student trustee is elected by the SGA in annual elections.

The decision to allow students to be voting members of the Board of Trustees was a major step in strengthening student representation in the overall governance of WSU.

SGA President
The SGA president is elected by the SGA annually. Responsibilities include the coordination of all facets of the SGA, keeping the SGA abreast of current issues concerning student interests, appointment of members of ad-hoc committees set up to address student interests and concerns and making recommendations to the Student Senate regarding student life in general.

Student Senate
The Student Senate is composed of 24 senators; three from each class, four at-large students, plus four resident students and four commuter students. There are five officers of the Student Senate: chairperson, parliamentarian, treasurer, secretary and public relations. All officers of the Senate are elected by the Senate annually.

An important responsibility of the Student Senate is the allocation of funds from the Student Activities Trust Fund. The Senate also responds to issues and concerns relative to student life. The Student Senate is available to any member of the SGA to express concerns about WSU issues. They also sponsor an annual auction to raise money for the homeless and children in need as well as other community service projects throughout the year.

The Senate meets weekly at 4 p.m. on Thursdays in the Foster Room (third floor, Student Center). All WSU students are welcome and encouraged to attend meetings.

Academic Procedures

Academic Advising

Students are assigned a faculty member from their major department to serve as their advisor. Undeclared students have faculty/academic advisors assigned as well. Each student meets with his/her academic advisor during the regularly scheduled advising period each semester to review academic progress and select courses for the coming semester. All advisors have office hours so the student should contact the advisor whenever information or an opinion on an academic matter is needed. Refer to the Academic Advising Handbook online (www.worcester.edu/handbook) or the Academic Success Center for further information. Faculty advisors must approve all courses taken off-campus using appropriate forms available in the Office of the Registrar.

www.worcester.edu/SP-Academic-Success-Center

More detailed registration and course information can be found in the WSU Catalog.

www.worcester.edu/Catalogs-and-Calendars
Intent to Graduate

The degree and diploma will be granted within 60 days of the final day of examinations for the semester in which degree requirements have been met providing that students have adhered to the following deadlines for filing an Intent to Graduate form:

- December completion: Last Friday of October
- May completion: Last Friday of December
- August completion: Last Friday of May

Progress Toward the Degree

Attendance
All students are expected to attend and participate in all class meetings and laboratory sessions. In the event that illness or some other emergency prevents a student from attending class, the student should contact the instructor directly. Since attendance requirements differ according to the specific academic goals of each course, students should carefully check the attendance policy on the course syllabus. If there is anticipated prolonged absence, the Associate Vice President for Academic Affairs (Administration Building, Room 361) should be contacted.

Worcester State abides by Chapter 375 of the Commonwealth of Massachusetts, An Act Excusing the Absence of Students for Their Religious Beliefs. Section 2B of this law states: “Any student in an educational or vocational training institution other than a religious or denominational educational or vocational training institution, who is unable, because of his religious beliefs, to attend classes or to participate in any examination, study, or work requirement on a particular day shall be excused from any such examination, study or work requirement, and shall be provided with an opportunity to make up such examination, study, or work requirement which he may have missed because of such absence on any particular day; provided, however, that such makeup examination or work shall not create an unreasonable burden upon such school. No fees of any kind shall be charged by the institution for making available to the said student such opportunity. No adverse or prejudicial effects shall result to any student because of his availing himself of the provisions of this section.”
**Academic Standing:** For degree-seeking students, class membership is based upon the number of credit hours completed. Class membership determines priority for registration and participation in class events.

*College credits include all credits attempted at Worcester State plus all credits accepted in transfer. Students are reminded that only grades earned at Worcester State are used in determining their GPA.

**Warning Status:** Students will not be placed on probation status until they have attempted 24 semester hours; however, students may be placed on a warning status if they fail to maintain the minimum standard after attempting 12 semester hours. Students on warning status may enroll in no more than 16 semester hours. In consultation with an academic advisor, each such student will develop an academic plan/registration contract that will include such conditions as repeating failed courses, regularly scheduled advising appointments, attending workshops offered through the Academic Success Center, and recommended use of the writing center, math lab, and tutoring services.

**Probation and Dismissal:** Students who fail to meet and/or maintain the minimum cumulative GPA required for good standing are placed on academic probation and are subject to the following restrictions: 1) they may not participate in intercollegiate athletics; and 2) they may not register for more than 12 semester hours of credit per semester; and 3) they may not serve on any standing and ad hoc governance committees of Worcester State.

Failure to improve the GPA and regain good standing after two regular academic semesters (Fall and Spring) will result in academic dismissal.
and separation from Worcester State. Students dismissed from Worcester State for academic deficiency may not register for or attend classes at Worcester State until 12 months have elapsed. Readmitted students must attain a minimum GPA of 2.0 for each semester following their return. Failure to maintain a 2.0 semester GPA will result in a second separation from Worcester State not subject to appeal. See next section regarding withdrawal/leave of absence.

Appeal of Dismissal: Students may appeal for reinstatement to continue for a third semester on probation. Appeals must be made in writing to the Chair of the Academic Progress Review Board and submitted to the Registrar within five (5) days of notification. The Academic Progress Review Board will review the written appeals. The decision of the Review Board is final.

Undergraduate Appeal Procedure

Prior to invoking the use of the undergraduate appeal procedure, individuals should exhaust all informal means available to resolve questions concerning specific issues related to their courses.

The appeal procedure may not be used to challenge a grade which results from a faculty member exercising usual and customary professional judgment in the evaluation of student work.

Step 1 When an issue arises in which the student believes he/she has been treated unfairly, the student shall request in writing a meeting with the instructor. In the case of an end-of-semester grade, the student shall request such a meeting no later than ten working days after the beginning of the next semester. The instructor shall arrange to meet with the student within ten working days of the receipt of the request.

Step 2 If the matter is not resolved to the satisfaction of the student at Step 1, then, within ten working days of the meeting in Step 1, the student shall file a written request to review the matter with the appropriate Department Chair.

Step 3 If, within ten working days of the receipt of the request in Step 2, the Department Chair is unable to resolve the matter to the satisfaction of all parties, then either party may, within ten working days, file a written request to review the matter with the Dean of the respective school.
Step 4  If, within ten working days of the receipt of the request in Step 3, the Dean is unable to resolve the matter to the satisfaction of all parties, then either party may, within ten working days, file a written request to review the matter with the Vice President for Academic Affairs. In the case of continuing education courses or graduate courses, the appeal of Step 3 goes to the Associate Vice President of Continuing Education.

Step 5  Within ten working days of the receipt of the request in Step 4, the Provost/Vice President for Academic Affairs shall inform the student, faculty member, Department Chair, Dean of the results of his/her review.

The appeal process ends at this point.
Withdrawal From Worcester State University/Leave of Absence

Matriculated students who fail to take a course during a calendar year will be administratively withdrawn from Worcester State. Students who wish to permanently withdraw from Worcester State or take a temporary leave of absence must complete appropriate forms in the Academic Success Center. If the withdrawal or leave of absence is filed prior to the last day to withdraw from courses for the term, “W” will be recorded on the student’s record. Students who file for leave of absence or withdrawal after the last day to withdraw from courses for the term may petition if they feel circumstances warrant the recording of “W” for all courses enrolled for that term. Normally, a leave of absence is for one semester; however, a student may have up to one year to return to Worcester State. Failure to return at the specified time will result in an administrative withdrawal from Worcester State.

Students who receive any form of Financial Aid or Veterans Educational benefits should consult with the respective office PRIOR to dropping or withdrawing from a course. Reducing hour credit load may adversely affect eligibility to receive Financial Aid, or Veterans Educational benefits. In addition, most private insurance companies require that students be full-time (12 credits or more) to be eligible for coverage.

Reinstatement after Withdrawal/Non-continuous Attendance/Dismissal
Students reactivate their undergraduate, matriculation status through the Registrar’s Office’s and Academic Success Center. It is the students’ responsibility to supply and update the following documents if they are not on file:

- final high school transcript
- completed and notarized proof of residency form
- official transcript of all courses completed at each post-secondary institution attended (excluding Worcester State).

When the file is complete, the student will meet with an advisor and develop a plan for academic persistence and success. If applicable, an updated evaluation of transfer credits will be done at this time. In the case of Nursing, Occupational Therapy, and Education majors, an interview with the academic department may be necessary to determine reinstatement possibility in these majors.
Students readmitted after dismissal must attain a minimum GPA of 2.0 for each semester following their return. Failure to maintain a 2.0 semester GPA will result in a second separation from Worcester State not subject to appeal.

All reinstated students follow the degree, program, and graduation requirements from the catalog in effect at the time of their reactivation. Through appropriate advising, a plan for success outlining the maximum credits applicable will be developed prior to the semester of re-matriculation.

**Consensual Relationships**
Consensual romantic and/or sexual relationships in which one party retains a direct supervisory or evaluative role over the other party are unethical and create a risk for real or perceived coercion. The University does not intrude upon private choices regarding personal relationships when these relationships do not violate the University’s policies, or cause harm or increase the risk of harm to the safety and wellbeing of members of the campus community.

1. Faculty/Administrator/Staff Member Relationship with Students

   No faculty member shall have a romantic and/or sexual relationship, consensual or otherwise, with a student who is being taught or advised by the faculty member or whose academic work is being supervised or evaluated, directly or indirectly, by the faculty member. No administrator or staff member shall have a romantic and/or sexual relationship, consensual or otherwise, with a student who the administrator or staff member supervises, evaluates, advises, or provides other professional advice or services as part of a University program or activity. A romantic and/or sexual relationship, consensual or otherwise, between a faculty member, administrator or staff member and a student is looked upon with disfavor and is strongly discouraged.
2. Relationships Between Supervisors and Subordinates or Between Co-Workers

A consenting romantic and/or sexual relationship between a supervisor and subordinate or co-workers may interfere with or impair the performance of professional duties and responsibilities and/or create an appearance of bias or favoritism. Further, such relationships could implicate state ethics laws and/or result in claims of discrimination, sexual violence, sexual harassment, gender-based harassment, domestic violence, dating violence, stalking and retaliation. Therefore, such workplace relationships are strongly discouraged.

Both parties have an opportunity to meet (separately) with a conduct administrator to present their perspectives, provide witnesses or information, to bring an advisor to the meeting, to ask questions and seek clarification.

After a review of the information and facts of a complaint, a decision will be made about whether it is more likely than not that a violation of code or policy took place and sanctions, if appropriate, will be issued.
Title IX Academic Accommodations
In certain instances Title IX issues may impact a student’s academic performance and decisions regarding withdrawals, repeats, and the ability to continue in high-stakes programs need to be made. Involuntary Administrative Withdrawal Policy

One of Worcester State’s purposes is to ensure equality of educational opportunity while fostering an environment that promotes education, achievement, and the growth and safety of and respect for all members of its community. On occasion, Worcester State officials become aware of a student who may be seriously interfering with these purposes because of a mental, emotional, or psychological health condition. In such situations, Worcester State officials may consider the appropriateness of (1) utilizing the established student conduct system, or (2) involuntary examination, hospitalization, and treatment for mental illness under state law. In addition to, or instead of, either of those procedures, the matter may be handled as a potential medical withdrawal according to the standards and procedures described in this Policy. Please contact the Dean of Students Office for further information.

Leafleting Policy

The Student Government Association has prohibited solicitation by leafleting except when approved by the Student Senate or a recognized Worcester State office. Problems arose from the litter and disturbance of private property caused by the mass leafleting of automobiles. Any request for special consideration should be directed to the Student Senate.

Sales and Solicitation

The sale or solicitation of goods or services including those contracted by Worcester State and/or the Board of Trustees, may occur on the Worcester State campus when authorized, sponsored and supervised by a recognized student organization or by an official organization recognized as being affiliated with WSU.

Members of the Worcester State community who use social sites such as Facebook, Instagram, Twitter, and YouTube are cautioned to do so using the guidelines of Worcester State’s Codes of Conduct. Violators will be subject to Worcester State disciplinary action.

It should be noted that users of these sites are subject to legal ramifications if State or Federal Laws are violated and may be subject to prosecution. Also be advised that these sites are frequented by predators, law enforcement agencies, employment agencies, and sports recruiters as a means to uncover background information and/or evidence. Statement on Student Jury Service

According to the Office of Jury Commissioner of the Commonwealth of Massachusetts, “Every U.S. Citizen 18 years of age or older who is a Massachusetts resident or an inhabitant for more than 50% of the time is eligible to serve as a juror. If you are a resident of another state but a student at a Massachusetts college, you are an inhabitant for more than 50% of the year and, therefore, eligible to serve as a juror in Massachusetts.”

It is not unusual for students residing in Worcester County to be summoned to serve as trial jurors. Jury service, on a short-term basis, can provide students with a good opportunity to fulfill one of their important responsibilities as members of the community. Worcester State supports students in their fulfillment of this civic duty.

Students should carefully read all materials they receive with their summons to service, which contain helpful information about confirming, postponing, rescheduling, or relocating service, and address many of the most frequently asked questions. Jury duty is an important legal obligation, and those who fail to respond are subject to criminal prosecution.
Students who must miss class in order to fulfill their jury service requirement should notify each of their instructors of the summons and make arrangements to complete any missed work. Students may be required to furnish their summons notice or the certificate of service when making these arrangements.

If you have any questions about jury duty, including confirming, postponing, rescheduling, or limiting your service, please contact the Office of Jury Commissioner (1-800-THE-JURY/1-800-843-5879). Further information can be found on the Office of the Jury Commissioner’s website at www.massjury.com.

**Drone Policy**

As a public institution, Worcester State University establishes the following policy which is applicable to all employees, students, contractors, volunteers, and guests. The operation of an unmanned air craft system (UAS), a drone, is regulated by the Federal Aviation Administration (FAA). Operation by any person of a UAS, from or above the campus, is governed by this policy.

Use on campus requires prior approval from University Police at least 48 hours prior to the use of the UAS at that time, users must read and understand WSU’s UAS operating procedures guidelines. University Police maintains the authority to “ground” or suspend operations of any UAS that is not compliant with FAA regulations, WSU policy, or presents a danger to Worcester State University property or to the Worcester State community.

**Student Travel Policies**

Worcester State University recognizes that enrollment as a student does not curtail the freedom to travel that is generally secured to members of our society by the Constitution and laws of this country. In addition to travel that is a normal incident of any person’s enrolling as a student—commuting between home and Worcester State University, for example—students are free to travel, as they wish and in whatever way they wish to museums, libraries, sporting events, social and cultural activities, and to a multitude of other destinations that are encouraged by their personal, educational and intellectual interests. To this kind of personal travel the Student Travel Guidelines are of no application,
for Worcester State University seeks neither to regulate nor to control any individual student’s personal freedom to travel. Worcester State University does, however, impose certain requirements and controls in connection with travel that it formally sanctions or sponsors. While Worcester State University reserves the right to impose special requirements in any individual case, the general rules that are of application to such travel are set forth in these Student Travel Guidelines.

1. WHO MAY SPONSOR:

a. Worcester State University-sponsored travel is travel that is sponsored by Worcester State University itself through one of its departments or offices. In every case, a Worcester State University-sponsored student travel program requires the prior approval of the Chief Student Affairs Officer.

b. Worcester State University-sanctioned travel is any travel/trip sponsored by a recognized student organization, club or athletic team (beyond regularly scheduled season’s contests). This shall include individual travel related to the business/purpose of the organization, club, or team, and group travel (e.g., a bus trip within the state, all travel outside the state, and any overnight trips). In all cases, Worcester State University-sanctioned travel program must be approved by the Chief Student Affairs Officer.

c. An individual may not solicit or offer trips to the campus population as an independent representative of a travel agency or tour operator. This is designed to prevent the “stinging” of participants, which has often occurred in the past when an inexperienced student was hired as an “agent” by a travel company or tour operator.

ANY STUDENT’S FAILURE TO COMPLY WITH THIS PROCEDURE MAY RESULT IN JUDICIAL ACTION BY WORCESTER STATE UNIVERSITY.

2. WHO MUST APPROVE:

In every case, Worcester State University-sponsored or Worcester State University-sanctioned travel requires prior approval of either the Chief Student Affairs Officer or the provost/vice president of Academic Affairs.

a. Travel sponsored by an academic department or other academic program must be approved by the provost/Chief Student Affairs Officer.

b. Travel sponsored by athletics, a recognized student organization, or club must be approved by the Chief Student Affairs Officer.
3. Once a Worcester State University sponsored or sanctioned travel plan has been decided, representatives of the sponsoring organization must meet with the professional staff person designated by the vice president of Student Affairs, or provost/Chief Student Affairs Officer.

4. As soon as possible after the deadline for submission of price quotations, the appropriate professional staff person (athletics director, advisor, coach, faculty member) and student leader (for non-athletic clubs/teams only) shall submit, to the vice president of Student Affairs or the provost/vice president of Academic Affairs, the specifics of the travel program for review and approval. This proposal shall include:

   • purpose, dates, and itinerary
   • estimated number of participants
   • number and names of chaperones
   • copies of price quotations and names of selected vendor(s)
   • source(s) of funding for the trip
   • financial breakdown of total cost of trip

5. Worcester State University reserves the right to require, as a condition of any student’s participating in any Worcester State University-sanctioned or Worcester State University-sponsored travel, that the student or his/her guardian sign a waiver of all claims against Worcester State University and its employees for liabilities that may arise out of such travel. Worcester State University may impose this requirement whenever Worcester State University-sponsored or Worcester State University-sanctioned travel occurs outside (or inside, e.g., paintball, skydiving) the Commonwealth of Massachusetts.

6. Worcester State University shall require the student organization’s, club’s or team’s advisors, coach or professional staff person(s) to accompany any trip which in the judgment of Worcester State University requires the presence of a professional staff member. His/her duties will be to assist in securing the services contracted. The staff member will also assist the members of the student organization and the participants in following the established guidelines for the trip.

7. Written contracts will be required with all vendors. The agreements shall contain specific information to include: exact overall costs; hotel costs; transportation costs; departure and return dates; times and locations; number of spaces provided; name of hotel(s) and public
transportation carrier(s); clear statement of refund policy; payment
deadlines if applicable; the availability of complimentary spaces; a
clear statement delineating routine or special expenses not included
in the price of the trip. A copy of all contracts must be on file in the
office of either the vice president of Student Affairs or the provost/
Chief Student Affairs Officer.

8. Individuals may forfeit deposits in the event they cancel out of the
event and cannot find a replacement. All cancellation, refund and
deposit policies must be clearly stated in the contract. A copy of
these policies, which will vary from trip to trip, must be given to each
participant prior to his/her initial deposit; and the participant must
read, and sign, a copy of the cancellation, refund, and deposit policy.

9. All trips will be offered either to students only (or students and a
guest only) first. For example, a Spring Break trip to Florida would
be offered “to students only” first, while a Senior Class Trip to NYC
may be offered to “seniors and a guest only” first. A trip offered
“students only” first shall have a specified time period announced
for students to reserve spaces. Thereafter, additional available spaces
may be filled by a student adding a guest to the list and paying the
appropriate deposit.

10. Participants in any Worcester State University-sponsored or
Worcester State University sanctioned travel are expected to
behave responsibly. Students who violate standards of conduct set
forth in this or any other Worcester State University policy will be
subject to the procedures and sanctions of the student judicial code.
All participants in such travel are personally responsible for any
injury or damage they cause to other persons or their property and
Worcester State University, or it’s agents, assume no liability for
any such damage or injury. All participants are personally liable
for any costs, however incurred, that are not included in the travel
package as advertised.

11. The travel agency or tour operator will be required to carry adequate
liability insurance and/or show proof of adequate liability coverage
by carriers.

12. It is the responsibility of the students to be aware of and adhere
to departure times. Participants who miss travel connections are
personally liable for any costs incurred in securing substitute
transportation.
13. Worcester State University assumes no liability for a student choosing to ride in a private vehicle to or from the trip’s destination. Participants who travel in private vehicles do so at their own risk.

14. Student organization may subsidize a trip’s cost. Any complimentary trips will be decided by the organization’s officers and advisor(s). Attendance at an educational program or conference related to the organization’s purpose can be subsidized up to one hundred percent (100%). Students will be reimbursed under the AFSCME travel rate.

15. NEITHER WORCESTER STATE UNIVERSITY NOR ANY STUDENT ORGANIZATION ASSUMES ANY FINANCIAL OR OTHER RESPONSIBILITY FOR IT’S OR ANY OTHER PERSON’S FAILURE TO PROVIDE IN WHOLE OR IN PART, ANY SERVICE OR PRODUCT IN CONNECTION WITH ANY WORCESTER STATE UNIVERSITY-SPONSORED OR WORCESTER STATE UNIVERSITY SANCTIONED TRIP; NOR DOES WORCESTER STATE UNIVERSITY OR ANY STUDENT ORGANIZATION_ASSUME ANY FINANCIAL OR OTHER RESPONSIBILITY FOR THE QUALITY OF ANY SUCH SERVICE OR PRODUCT THAT IT OR ANY OTHER PERSON DOES PROVIDE IN CONNECTION WITH ANY SUCH TRIP. In the case of every trip, it is responsibility of the travel agency, tour operator and other vendors of services and products. Worcester State University may in any particular case, but at its sole discretion, take such steps as it deems appropriate to secure such vendor’s fulfillment of any obligations undertaken in connection with a trip to secure refunds from vendors with respect to services or products not provided or not properly provided, but Worcester State University assumes no obligation to take such steps and no liability in consequences of its doing so. WORCESTER STATE UNIVERSITY ASSUMES NO OBLIGATION TO MAKE REFUNDS TO STUDENTS IN THE EVENT A TRIP IS CANCELLED, POSTPONED, OR ALTERED.

16. INTERNATIONAL TRAVEL REQUIREMENTS: See Page 26
Tailgating Policy

- The tailgating (setting up grills and tables, etc.) will be located in Lot O, (side of Wellness Center) and will be in the area across from the Science & Tech loading dock.
- Tailgating will be allowed two hours prior to game time.
- No alcohol will be allowed at any time. Any person with alcohol will be asked to dispose of it. The second time the person will be asked to leave the premises.
- At game time, the tailgating area will be shut down and cleared by University Police and all individuals will be asked to enter the stadium or required to exit the premises.
- Those who refuse to vacate the area will be viewed as trespassers and will be subject to police action.
- No individual will be permitted to exit the stadium and linger in the tailgate area, including returning to the area during half time.
- Additionally, tailgating will be allowed for players and/or their families after the game for 90 minutes. After the ninety minutes have expired the area will be cleared.

Our aim in these policy is to allow for families of players and students at Worcester State to enjoy the football atmosphere without the use of alcohol.

Worcester State University
Student Code of Conduct
and
The Conduct System
Introduction

Worcester State University seeks to promote the peaceful and productive pursuit of the intellectual and social development of its students, and to ensure the safety and welfare of all members of the Worcester State University community. To help accomplish these fundamental ends, it is essential for students and others to cooperate when dealing with Worcester State University representatives in any matter and to understand both the rights and the obligations they have as members of this community. This “Student Code of Conduct and Conduct System” will enumerate and explain some of those rights and obligations, but the underlying rationale for any such code is the recognition that, as students and employees of Worcester State University, we comprise a community that, like all communities, calls on its members to conduct themselves with proper regard for the rights of others and for the mission and goals of the institution. All members of the Worcester State University community share the responsibility for maintaining an environment in which all actions are guided by care, concern, respect, integrity, and reason.

The functioning of Worcester State University as an intellectual community depends, in the first instance, on establishing a set of rights that all members of the community can know will be guaranteed and preserved by the institution. In addition to the basic rights granted by the United States and the Commonwealth of Massachusetts, members of the Worcester State University community share some other rights crucial for the conduct of free inquiry that is central to Worcester State University’s mission. These include the right to reasonable use of Worcester State University facilities, the right to privacy with respect to one’s personal effects and academic records, the right to organize a democratic student government, and the right to establish a responsible Worcester State University-recognized press that will be free of censorship. It is, of course, understood that any such rights that any student has are equally possessed by all students (without regard to race,
age, gender, religion, sexual orientation, or national origin). Further, the exercise of any of these rights must not interfere with a similar freedom for any other member of Worcester State University. The conduct code that follows outlines the procedures that Worcester State University will follow when the rights and responsibilities that we acquire as members of the Worcester State University community are violated. The details of the code and procedures to follow are included to ensure that both the accused student and, where applicable, the victim/survivor are treated fairly. But those details should not obscure the fundamental point: we are a community and, as such, we need a set of fair and explicit rules to govern our behavior.

Worcester State University
Tobacco Free Campus Policy

Background
In 1997, the Massachusetts Legislature passed a law prohibiting smoking in State buildings. Mass. Gen. Laws Chapter 270, section 22. Specifically this law prohibits smoking in (1) the State House; (2) any building owned by the Commonwealth; and (3) any space occupied by a state agency or department of the Commonwealth but located in a building not owned by the Commonwealth. This law also prohibits smoking on public transportation and in all state vehicles.

Smoking in the Workplace
Pursuant to Mass. Gen. Laws Chapter 71 section 37H, smoking is prohibited in all public school buildings and grounds. All public school employees, students, and visitors are restricted from using any tobacco product, including smoking or chewing, within school buildings, the school facilities, or on school buses. Worcester State University accepts this law as binding upon its students and employees, as well as visitors to our school and buildings.

Policy
1. Smoking and/or the use of tobacco products, including any nicotine delivery system, will not be permitted in or on University property, University- leased property, including buildings, dormitories, grounds, community garden, athletic fields, walkways, parking lots, and bus stops; all other property (enclosed or outdoors) owned, leased or operated by the University. The sale of any tobacco products, including smokeless tobacco, and nicotine delivery systems is prohibited on any property owned or leased by the University.

2. Smoking and/or the use of tobacco products in the University owned or leased vehicles is prohibited. Smoking and/or the use of tobacco products is also prohibited in personal vehicles when those vehicles are on University property.

3. Compliance with this policy is mandatory for all employees, faculty, staff, students, and visitors of the University.

4. Any employee who repeatedly violates this policy may be subject to disciplinary action.
5. Any student who repeatedly violates this policy will be referred to the University’s Student Conduct office for disciplinary action.

6. The University will not tolerate retaliation against any person who takes any action in furtherance of the enforcement of this policy or who exercises any right conferred by this policy.

7. The University expects that all members of the campus community will respect the intent of this Policy and will comply with it voluntarily; however, it is the responsibility of anyone observing or affected by a violation of the Policy to remind the user of the Policy. If such a reminder is not effective, the individual should report the violation to University Police. If the alleged violator is an employee or a student, the violator could be subject to disciplinary action.

8. Worcester State University asks our students, employees, faculty, and staff to help maintain a positive relationship with our neighbors. Smoking off campus does not give any smoker the right to litter on private or public property. Worcester State will inform our neighbors about our new smoke-free standards, and will encourage our neighbors to contact the University should problems arise. Worcester State would also like to remind you that smoking is prohibited on public school grounds, including the two schools that surround the University’s campus.

**Alcohol Policy**

All policies and regulations regarding the consumption and/or sale of alcoholic beverages on the Worcester State University premises or off-campus where Worcester State University jurisdiction applies shall be in strict conformity to the appropriate Massachusetts General Laws, the regulations of the License Commission of the city of Worcester and in compliance with the Drug-Free Schools and Communities Act (DFSCA), and the Drug-Free Schools and Campuses Regulations.

In addition to the preceding laws and others which may be established by legislative bodies, the following rules and regulations apply to Worcester State University premises or off-campus where Worcester State University jurisdiction applies:

- Worcester State University prohibits the possession, consumption, storage or service of alcohol by students with the exception of prior approval from the Dean of Students or designee.
- Students are not allowed in the presence or in possession of empty or full containers of alcohol, including decorative containers.
- Public intoxication is prohibited.
- Operating a vehicle under the influence of alcohol is prohibited.
- The manufacturing of any alcoholic beverage is prohibited.
- Students are responsible for informing their guests of Worcester State University’s Alcohol Policy prior to any campus visit. The student will be held strictly accountable for an alcohol violation when their guest violates the alcohol policy. Guests are defined as any person visiting the student whether or not the guest has signed-in to the residence halls through official procedures. Guests, regardless of their age are not permitted to bring alcohol onto the Worcester State University campus.
- Providing alcoholic beverages to a person under age twenty-one (21), whether gratuitously or for sale, is prohibited.
- The possession or use of alcoholic container(s) which indicates the probability of common source drinking (e.g. kegs, punch bowls, beer balls, or the functional equivalent) is prohibited and shall result in a more severe sanction.
- Drinking funnels, taps, ice luges or similar devices are prohibited.
- Creating, offering, and playing drinking games such as beer pong are considered endangering behaviors and are prohibited.
- Open alcoholic beverage containers (including cups containing alcohol) are prohibited.

Additional Guidelines

- Intoxicated persons shall be subject to police intervention including medical transport, arrest, and/or other appropriate action.
• In the event that a student is suspended from Worcester State University housing or from Worcester State University for any disciplinary infraction(s), including but not limited to alcohol, no refund of any Worcester State University fees or tuition will be given to the student.

• Any backpack, bag or similar container that anyone carries onto campus shall be subject to inspection and search by a member of the Worcester State University staff whenever there exists reasonable suspicion to believe that the container is being used to bring onto campus any alcoholic beverage or other material in violation of Worcester State University Policy.

• Students are encouraged and expected to seek help from Worcester State University Police or other Worcester State University staff when they witness others who are incapacitated due to alcohol or other drug use.

• Residency in a bedroom, apartment, or suite in which any alcohol containers, (empty or full to include decorative containers) are present is a violation of the Policy. This includes the bedroom to which the person is assigned or in an adjacent common area.

• Visitation in a bedroom, apartment, or suite in which any alcohol containers, (empty or full to include decorative containers) are present, with reasonable opportunity to be aware of the presence of said item is a violation.

**Alcohol and Drug Emergency Transport/Amnesty Policy**

Worcester State University considers the safety and personal well-being of the student body a priority. Worcester State University recognizes that there may be alcohol or other drug-related medical or safety emergencies in which the potential for disciplinary action could act as a deterrent to students who want to seek assistance for themselves or others.

Students who are evaluated for a substance abuse wellness check that may or may not result in being transported to a local hospital will be required to contact a member of the Office of Health Promotion within twenty four (24) hours of receipt of letter from the Office of Health Promotion. Failure to schedule and attend the sessions may result in conduct action.
When a student aids an intoxicated or impaired individual by contacting Worcester State University Police or Residence Life staff, neither the intoxicated individual nor the individual or student reporting the emergency will be subject to disciplinary action.

In the case of a second (2nd) transport; the student will attend two (2) educational meetings with the Office of Health Promotion followed by a minimum of three (3) sessions with a member of the Counseling Services staff.

In the unlikely case of subsequent transports, the student will meet with an administrative team to discuss the students’ well-being, evaluate their residency status and/or visitation privileges within the residence halls, and potential conduct action.

**Statement on Medical Marijuana**
Massachusetts state law permits the use of medical and recreational marijuana. However, federal laws prohibit marijuana use, possession, and/or cultivation at educational institutions, therefore Worcester State University will provide no change to its current drug policies. Please understand that the use, possession or cultivation of marijuana for medical or recreational purposes is not allowed in any Worcester State university property; nor is allowed at any University-sponsored event or activity off campus.

In addition, no accommodations will be made for any student in possession of a medical marijuana registration card. Worcester State University will release students from the occupancy license (with documentation) who needs to use or possess marijuana for medical purposes. Anyone who possesses or uses marijuana at WSU may be subject to civil citation, state or federal prosecution, and university discipline.
Drug Policy

All policies and regulations regarding illegal consumption/use, possession, sale/traffic and/or manufacture of narcotics, controlled substances, prescription drugs, counterfeit substances, drug paraphernalia and substances releasing toxic vapor on the Worcester State University campus and its properties shall be in strict conformity to the appropriate Massachusetts General Laws and in compliance with the Drug-Free Schools and Community Act (DFSCA) and the Drug-Free Schools and Campuses Regulations. Detailed descriptions of infractions and penalties can be found in the Massachusetts General Laws, sections 94C and 270. Federal Drug Statute Title 21, USC 841 may also apply. Listed is a summation of these laws. **These laws are subject to change**

1. **Controlled Substances** are classified according to their chemical characteristics and their effect on the human body.

   **Class A**
   Heroin, Morphine, Flunitrazepan, Gamma Hydroxy Butyric Acid (aka GHB), Ketamine Hydrochloride (aka “Special K”)

   **Class B**
   Cocaine, Codeine, Methadone, Oxycontin and Oxycodone, Amphetamines, Fentanyl, Methamphetamine and its isomers and salts, Phenacyclidine (PCP, Angel Dust), Lysergic Acid Diethylamide (LSD), Opium in certain amounts, P2P, PCH, PCC, MDMA (ecstasy), Phenmetrazine, Percodan, Dilaudid

   **Class C**
   Valium, Librium, Morphine and Codeine in certain amounts, Flurazepam, Hallucinogenic substances including Dimethoxyamphetamine, Mescaline, Peyote, Psilocybin (aka Mexican Mushrooms), Tetrahydrocannabinol (THC, active ingredient in marijuana)

   **Class D**
   Marijuana, Barbital, Phenobarbital

   **Class E**
   Compounds containing a small percentage of Codeine, morphine or opium, prescription drugs not included in any other class.
Smelling Substance Releasing Toxic Vapor

Although not illegal to possess under certain conditions, these substance offenses occur when a person intentionally smells or inhales them. They include but are not limited to: glue, paint thinners, etc.

2. Drug Paraphernalia are objects used for the purpose of ingesting, injecting, inhaling, etc. any or all of the above substances. These include, but are not limited to, pipes (ceramic, metal, glass, etc.), syringes, or any other object modified for this purpose, (e.g. plastic containers, toilet paper rolls, etc.).

3. Possession of a Controlled Substance is simply proof the individual directly or constructively possessed some amount of a controlled substance without lawful authority.

4. Possession with Intent to Distribute does not require possession of a minimum quantity of a controlled substance where other signs of distribution exist, e.g. quantity (even a minute quantity can suffice), purity, street value, possession of a large amount of cash, uniform packaging, known drug area, behavior, possession of drug paraphernalia, etc. Penalties as outlined under Massachusetts General Laws are included in subsequent pages.

5. Counterfeit Substances are imitations intended to be offered off deceptively as a genuine controlled substance. Because fake substances are often more dangerous to ingest and because the dealer is attempting to make a profit while eliminating the risk of being caught with a controlled substance, possession and sale of a counterfeit substance are punishable crimes under the law.

6. The Drug-Free School and Park Zone Law was designed to heighten safety and deter drug distribution in areas where children congregate most: schools and public parks. This law provides for an enhanced penalty for individuals who possess any illegal drug with the intent to distribute. This applies to a suspect within 100 feet of a public park or playground or 1000 feet of a public or private elementary, secondary or vocational school. **Worcester State University is within 1000 feet of two schools.**

In addition to the preceding laws and others which may be established by legislative bodies, the following rules and regulations apply to Worcester State University premises or off-campus where Worcester State University jurisdiction applies:
• Worcester State University prohibits the possession or use of drugs or drug paraphernalia.
• Operating a vehicle under the influence of drugs is prohibited.
• The manufacturing of any drug is prohibited.
• Students are responsible for informing their guests of Worcester State University’s Drug Policy prior to any campus visit. The student will be held strictly accountable for a drug violation when their guest violates the drug policy. Guests are defined as any person visiting the student whether or not the guest has signed-in to the residence halls through official procedures.

Additional Guidelines

• Any person shall be subject to police intervention including medical transport, arrest, and/or other appropriate action when reasonable suspicion that drugs are involved.
• In the event that a student is suspended from Worcester State University housing or Worcester State University for any disciplinary infraction(s), including but not limited to drugs, no refund of any Worcester State University fees or tuition will be given to the student.
• Any backpack, bag or similar container that anyone carried onto campus shall be subject to inspection and search by a member of the Worcester State University staff whenever there exists reasonable suspicion to believe that the container is being used to bring onto campus any drug or other material in violation of Worcester State University Policy.
• Residency in a bedroom, apartment or suite in which any drug or drug paraphernalia are present is a violation of the Policy. This includes the bedroom to which the person is assigned or in an adjacent common area.
• Visitation in a bedroom, apartment or suite in which any drug or drug paraphernalia are present, with reasonable opportunity to be aware of the presence of said item, is a violation.

Both parties have an opportunity to meet (separately) with a Title IX Investigator to present their perspectives, provide witnesses or information, to bring an advisor to the meeting, to ask questions and seek clarification.

Following the investigation of a complaint, a decision will be made about whether it is more likely than not that a violation of code or policy took place and sanctions, if appropriate, will be issued.
Sexual Violence Policy/Title IX Academic Accommodations
In certain instances Sexual Violence/Title IX issues may impact a students’ academic performance and decisions regarding withdrawals, repeats, and the ability to continue in high-stakes programs need to be made. Academic Accommodations related to Sexual Violence/Title IX will be handled on a case by case basis by the Provost and Vice President for Academic Affairs or their designee.

Furthermore, when necessary, the University may investigate alleged incidents of sexual harassment and sexual violence of which it becomes aware, even if no formal complaint has been filed, or the individual(s) involved are unwilling to pursue a complaint or cooperate in an investigation.

The University prohibits retaliation against any person for making a complaint of sexual violence, sexual harassment, gender-based harassment, domestic violence, dating violence, stalking and retaliation, for assisting in making a complaint, for resisting or openly opposing such conduct, or for otherwise using or participating in the complaint investigation process under the Policy. **Investigation/Administrative Review** (violations of the Sexual Violence Policy). This is an investigation conducted by a Title IX Investigator in which the University will review all written complaints, conduct interviews, review documents and other physical evidence, and produce an executive summary of the incident(s) that contains factual findings based on preponderance of evidence standard “more likely than not”.

The executive summary will be reviewed by an administrative review committee who will issue the formal decision in the matter. The accused student will then meet with the Coordinator of Student Conduct to receive their results.

**Sexual Violence Policy / Title IX Appeals**

Appeals of the gender-based misconduct policy may be granted based on one or more of the following purposes:

a. To determine whether the administrative investigation was conducted free from any material procedural error.

b. To consider new information, sufficient to alter a decision or other relevant facts not brought out in the original investigation, because such information and/or facts were not known to the person appealing at the time of the investigation.

or Appellate Board
A. **Conduct Authority**

1. The Conduct Administrator shall determine which conduct body shall be authorized to hear each case.

2. The Conduct Administrator shall develop and implement procedures for the administration of the conduct policies and the conduct of hearings that are consistent with provisions of the Student Code.

3. Decisions made by a conduct body and/or the Conduct Administrator shall be final, pending the normal appeal process.

4. A conduct body may be designated as arbiter of disputes within the student community in cases that do not involve a violation of the Student Code. All parties must agree to arbitration and to be bound by the decision with no right of appeal.

B. **Initiation, Notification and Hearing Process**

1. Any member of the Worcester State University community may report any student for violation of the code of conduct. Reports shall be prepared in writing and directed to the Conduct Administrator. Reports should be submitted as soon as possible after the incident takes place, preferably within Thirty (30) days. The Conduct Administrator has the authority to extend this timeframe on a case-by-case basis.

2. The Conduct Administrator will determine if the report has merit and/or if it can be disposed of by mutual consent of the parties involved, on a basis acceptable to the Conduct Administrator. Such disposition shall be final and there shall be no subsequent proceedings. If the case cannot be disposed of by mutual consent, the Conduct Administrator may later serve in the same matter as the conduct body or a member thereof.

3. All charges shall be delivered to the accused student via email to his or her Worcester State University email address. The hearing shall be scheduled not less than two (2) or more than fifteen (15) calendar days after the student has been notified. In the event of an emergency, the Student Conduct Administrator reserves the right to change the time limit for a hearing.
4. The Conduct Administrator at their discretion may schedule a Conduct Conference, Administrative Hearing or a Campus Conduct Board Hearing in accordance with the following:

a. A Conduct Conference is a meeting conducted by a Hearing Officer appointed by the Dean of Students or their designee on an annual basis in consultation with the Conduct Administrator. In the conduct conference, the conduct officer shall review all available information with the student to determine whether or not a decision can be made regarding the student’s responsibility. If a decision cannot be reached, then the matter will be referred for an Administrative hearing.

b. An Administrative Hearing is a hearing conducted by a Hearing Officer appointed by the Dean of Students or their designee on an annual basis in consultation with the Conduct Administrator.

c. The Campus Conduct Board is comprised of faculty members, administrators and students. A full Board consists of five members. A quorum of three members must be present to convene a hearing. In addition to these members, the Board will be chaired by the Student Conduct Administrator of their designee, who will vote only in the event of a tie. The pool of board members will be appointed by the Dean of Students or their designee on an annual basis in consultation with the Student Conduct Administrator.

5. Hearings shall be conducted by a conduct body according to the following guidelines:

a. The University will provide a prompt, fair, and impartial investigation and resolution of all matters subject to hearing.

b. All conduct conferences, administrative hearings and campus conduct hearings will be conducted by officials, including students who sit on the conduct board, who receive annual training on:

   (i) Issues related to domestic violence, dating violence, sexual assault, and stalking, and
   (ii) How to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.
All procedural questions are subject to the final decision of the chairperson of the conduct body present at the hearing.
c. Hearings normally shall be conducted in private, i.e. not open to the public.
d. In hearings involving more than one accused student, the chairperson of the conduct body, at his or her discretion, may permit the hearings concerning each student to be conducted separately.
e. The complainant and the accused student have the right to be assisted by an advisor of their choice; however advisors are not permitted to speak or to participate directly in any hearings before a conduct body. Advisors will not be permitted admission into a hearing if the student they are advising does not attend the hearing. The complainant and/or the accused student are responsible for presenting his or her own information.
f. The complainant, the accused and the conduct body shall have the privilege of presenting witnesses, subject to the right of questioning by anyone present (except an advisor).
g. Admission of any person to the hearing shall be at the discretion of the conduct body and/or its chairperson.
h. Pertinent records, exhibits and written statements may be accepted for consideration by a conduct body at the discretion of the chairperson.
i. After the hearing, the conduct body shall determine (by majority vote if the conduct body consists of more than one person) whether the student has violated each section of the Student Code that the student is charged with violating.
j. The conduct body’s determination shall be made based on the preponderance of the evidence; meaning whether it is more likely than not that the accused student violated the student code.
k. Formal rules of process, procedure and/or technical rules of evidence, such as are applied in criminal or civil court, are not used in Worcester State University conduct proceedings.
l. The complaint process and the accused student(s) may request to review the report(s) prior to the hearing. This review will take place on campus. The timeframe to review the report(s) is at the discretion of the Student Conduct Administrator.
6. There may be a written and/or recorded summation or other type of record as determined by the conduct body and/or Conduct Administrator, of all hearings before a conduct body. The record shall be the property of Worcester State University.

7. A student may not be found to have violated the Student Code solely because the student failed to appear before a conduct body. In all cases, the materials and information in support of the charges shall be presented and considered, as the hearing will be held in the absence of the student, should they fail to attend.

8. In the absence of a functioning conduct board or appeals board, such as during final exams, when classes are not in session, during the summer, or in the case of off-campus academic programs, disciplinary hearings will be the responsibility of the Conduct Administrator or their designee for all students. Appeals during such time shall be heard by the Dean of Students or their designee.

9. A case may be reopened after the final decision is made if both of the following conditions are met:
   a. There is newly available evidence which could not reasonably have been discovered and available at the time of the original hearing.
   b. The request to reopen is made within the two academic semesters following the date of the original final decision. The Conduct Administrator has the authority to extend this timeframe on a case-by-case basis.

10. When a student has also been criminally charged, the accused student has the right to refuse to incriminate themselves. All statements made in the hearings or any information submitted is subject to subpoena.

GLOSSARY

Appellate Board: At least three persons authorized by the Dean of Students to consider an appeal of a conduct body’s determination of findings/results and/or sanctions. The Dean of Students shall serve as chairperson of the Appellate Board.

Affirmative Consent: Consent is an understandable exchange of affirmative words or actions, which indicate a willingness by all parties to participate in mutually agreed upon sexual activity. Consent must be informed, freely and actively given. It is the responsibility of the initiator to obtain clear and affirmative responses at each stage of sexual involvement. Whether an individual has taken advantage of a position of influence over an alleged victim may be a factor in determining consent. For example, a position of influence could include supervisory or disciplinary authority. Silence, previous sexual relationships or experiences, and/or a current relationship may not, in themselves, be taken to imply consent. While nonverbal consent is possible (through active participation), it is best to obtain verbal consent. Similarly, consent to one form of sexual activity does not imply consent to other forms of sexual activity. Consent to sexual activity may be withdrawn at any time, as long as the withdrawal is communicated clearly.

Conduct Administrator: The Worcester State University official who coordinates and oversees the implementation of the Student Code of Conduct and the Conduct System.

Conduct Body: Any person or persons authorized by the Dean of Students to determine whether a student has violated the Student Code and to determine sanctions.

Deferred: When a sanction is postponed to be completed at a predetermined date in the future.

Domestic and Dating Violence: Domestic and dating violence are acts of abusive or coercive behavior (physical, sexual, financial, verbal and/or emotional) used by a perpetrator to gain or exercise control over another, including any behaviors that intimidate,
manipulate, humiliate, isolate, frighten, threaten, blame, hurt, injure, or wound someone. Domestic and dating violence can occur in relationships between persons of any gender. Domestic violence is such behavior directed against a current or former spouse, family member (blood, step, adoptive or foster), person with whom a child is shared, or cohabitant (possibly a roommate). Dating violence is such behavior directed against another person in a social relationship of a romantic or intimate nature, and where the existence of such a relationship is determined based on a consideration of the length and type of relationship and frequency of interaction between the persons involved.

**Gender-Based Harassment:** Unwelcome conduct of a nonsexual nature based on a person’s actual or perceived sex, including conduct based on gender identity, gender expression, and nonconformity with gender stereotypes, is prohibited when:

- submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or education; and/or
- submission to, or rejection of, such conduct by an individual is used as a basis for academic or employment decisions affecting that individual; and/or
- such conduct has the purpose or effect of substantially interfering with an individual’s academic or professional performance or creating an intimidating, hostile, or offensive employment, educational, or living environment based on gender.

**Guest:** Includes but is not limited to, any person(s) a student invites to their room, apartment, building, or to Worcester State University premises; and/or person(s) present and involved in activity within their room, apartment, building, or elsewhere on the Worcester State University premises.

**Hate Crime(s):** An incident or incidents of mistreatment because of race, gender, disability, age, marital status, religion, color, national origin, sexual orientation, gender identity, gender expression, veteran status, genetic information, or other personal characteristic(s).
Held in Abeyance: When a sanction is suspended for a set period of time rather than being imposed immediately. If the student is found responsible for any other policy violation during the prescribed time period, the sanction may be imposed immediately in addition to any other sanctions assigned for the new violation.

Imposed: When a sanction is assigned to be completed within the time limit delineated in the results letter.

Informed Consent: Must include explicit communication and mutual approval of the sexual activities in which the parties are involved. Each person involved in the sexual activity must willingly and knowingly engage in the activity. As a result, consent cannot be given due to physical force, intimidating behavior, threats, or coercion. Further, consent cannot be given by an individual who is incapacitated. For example, consent cannot be given by those incapacitated by alcohol or drugs, or by individuals who are unconscious.

Intimate Partner Violence: (Also known as “Dating Violence” or “Intimate Partner Violence.”) Intimate partner relationships are defined as short or long-term relationships (current or former) between persons intended to provide some emotional, romantic, and/or physical intimacy. The existence of an intimate partner relationship will be determined based upon the reporting party’s statement with consideration of the length and type of relationship and frequency of interaction between the persons.

Intimate partner violence, which includes dating and domestic violence, refers to abusive or coercive behavior (physical, sexual, financial, verbal and/or emotional) used by a perpetrator to exercise control over an individual with whom they currently have or have had an intimate relationship. Behaviors can occur in opposite-sex and same-sex relationships, and include but are not limited to marital, cohabitating, and dating relationships.
