Mr. Barry M. Maloney
Worcester State University
President’s Office
486 Chandler Street
Worcester, MA 01602

Dear President Maloney,

Please accept this letter as my recommendation of the candidate to fill the position of Assistant Vice President for Communications and Marketing at Worcester State University. After a lengthy and thorough search, including a national position posting, the review of a great number of applicants, and a comprehensive interview and credential review process, I recommend Maureen Stokes to fill the position.

Ms. Stokes comes to WSU with a wide variety and applicable set of professional experiences in campus-level higher education communications and marketing. In her most recent position as Associate Vice President for External Relations, Marketing, and Communications at Lincoln University in Pennsylvania, Maureen has been an effective leader, strategist, and communicator. Maureen impressed me and others with her ability to communicate with broad audiences, even in the midst of crises, as she has experienced in her previous roles. As a strategist and advisor to campus leaders, Maureen has a great deal of experience, which will surely serve Worcester State University well.

As this appointment must be confirmed by the Board of Trustees, I ask for your support of Maureen Stokes. If you have any questions or need additional information, please let me know.

Sincerely,

Ryan G. Forsythe, Ed.D.

High Density & Asset Reinvestment Impact Operations

High campus use intensity, coupled with high Asset Reinvestment need leads to tighter coverage and supervision ratios.

Ordered by: Tech Rating
## Key Takeaways

<table>
<thead>
<tr>
<th>Significant needs despite younger age profile</th>
<th>70% of space on WSU’s is under 25 years of age. Much of the space in the “10-25” age group is beginning to show wear and need for systemic renewal. Spaces over 25 years of age are candidates for renovation or replacement, most notably Chandler Village and Student Center.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Existing space investment not meeting target</td>
<td>The majority of capital funding in the last five years has been directed toward new space. Investment levels have fallen short of stewardship targets for existing campus. Limited investment and higher use intensity of campus have accelerated wear in existing buildings.</td>
</tr>
<tr>
<td>Investment based on building condition</td>
<td>Maintain high NAV buildings with PM and Annual Stewardship. Buildings below 70% NAV are candidates for major systemic renewal or gut renovation from one-time funding infusions. High needs in the Student Center, coupled with it’s unique and obsolete HVAC distribution make it a candidate for demolition and replacement.</td>
</tr>
<tr>
<td>Asset Reinvestment Need Impacting Operations</td>
<td>High $/GSF need and densely populated campus are leading to increased operating costs and coverage ratios of maintenance trades. Many systems are past their useful life and are being repaired rather than replaced, while also seeing accelerated use. Short term investments should focus on reliability needs and projects that replace systems to alleviate operating costs.</td>

2018-2019 Slate of Officers for the WSU Board of Trustees as presented.

FINANCE & FACILITIES COMMITTEE REPORT
Trustee Madaus, Chair of the F&F Committee, reported on the actions of the group taken at their
meeting held earlier today.

FY 2019 Comprehensive University Budget

- Vice President Kathy Eichelroth provided an overview of the budget presented for approval
- The $111,292,753 budget includes state appropriations and state funded fringe benefits, in
  addition to eight trust funds
- Annual payroll budget is $42,043,640 and provides for 583 full-time positions
- Campus is further supported by an $8,418,922 budget to fund part-time benefitted positions
- Trust Fund revenue generated represents 59% of the total budget, student financial aid
  represents 8% of the budget, state operating appropriations is 24% and state funded fringe
  benefits make up the remaining 9%
- The entire budget process was reviewed and all information was thoroughly vetted.
- The comprehensive budget reflects actions taken by the Board in April to fund expected
  increased costs:
    - General Fee increased by 8% over previous year
    - Annual increase in General Fee of $629 has been distributed to the Capital and
      Adaptation and Renewal budget line at annual rate of increase of $109 per full-time
      student
    - Remainder of annual General Fee increase of $520 per full-time student distributed to the
      Regular Employee (AA) and Staff Benefit Expenses (DD) lines
- State University incentive funds have been proposed as a 1% increase in base appropriation
  throughout the process
- Should the Commonwealth budget include the incentive funds, an amendment will be presented
  to the Board for approval at the September Board meeting
- Decision by the Board to offset student fees as a result of an increase in state appropriations was
  approved during the April 10th meeting, providing the administration the flexibility to reduce
  student charges prior to the fall semester billing which is expected to occur the week of July 9th
- Continue to be hopeful that the cost of collective bargaining increases that went into effect in
  the past (FY 2017) and currently paid from campus resources, will eventually be funded in base
  appropriation – if this past obligation should be funded, a proposal regarding the distribution of
  these funds will be brought back to the Board in September
- Proposed budget as presented results in the cost of attendance as follows:
  - In-state commuter set at $10,161 per year
  - In-state resident starts at $21,959 per year
  - Out-of-state resident student starts at $28,039 per year
- The trust funds were reviewed as well as the operating and revenue reports

Upon a motion by Trustee Colombo and seconded by Trustee Hammond, it was unanimously

**VOTED:** to recommend approval of the FY 2019 Comprehensive University Budget as presented.

**FY 2018 Trust Fund Reports – Quarter 3**
- The trust fund reports for the third quarter were shared for information purposes only and are posted on trustee website as well.

**S & P RATING – Information Only**
- S&P Global Ratings assessed its ‘A’ long-term rating on the Massachusetts Development Finance Agency’s series 2012 bonds, issued for WSU
- Stable outlook reflects the expectation that through the two-year outlook period enrollment will remain stable, financial performance on a cash basis will remain positive, and available resources will likely increase slightly with no new additional debt anticipated

**HUMAN RESOURCES COMMITTEE REPORT**
Trustee Maryanne Hammond, Chair of the HR Committee, reported on the meeting of the group held on May 30, 2018.

**Assistant Vice President for Communications and Marketing**
- President Maloney announced that Rena Lias-Claffey, Assistant to the President for Campus Communications, has submitted her letter of intent to retire effective June 30, 2018 and has agreed to remain on as a consultant and will continue to assist President Maloney with various projects
- President Maloney provided correspondence relative to the position of Assistant to the President for Campus Communications
- A review with outside consultant Linda Campanella of SOS Consulting, was conducted to look at the overall communications and marketing functions at WSU
- The recommendation from the consultant calls for establishing a centralized reporting structure having all staff whose functions relate to communications, marketing and publications report to a newly created Vice President position
- President Maloney’s recommendation does not call for establishing a Vice President’s position at this time, but preserves the central recommendation of the study, by bringing functions together under one reporting line
- His recommendation is for an Assistant Vice President for Communication and Marketing who will report to the Vice President for Enrollment Management. By so doing, the president avoided the expense of creating a new division at this time
Following approval by the Board of Trustees, the position will be advertised both on and off campus with the goal of having a person on board by September to be introduced at the September 11th meeting.

Upon a motion by Trustee Taylor and seconded by Trustee Nichols, it was unanimously

VOTED: to accept the recommendation of the HR Committee and approve the position of Assistant Vice President of Communication and Marketing.

President’s Evaluation

- Trustee Hammond reported that the members of the HR Committee conducted the president’s annual evaluation of May 30, 2018.
- Chairman Blais charged the HR Committee with conducting the evaluation of the president and preparing all documents for the Board’s approval at the June 5th meeting.
- This will enable the Board to meet the June 30th deadline for submission of presidential evaluations set by Commissioner Santiago.
- The following documents were provided for use in conducting the evaluation:
  - Correspondence from Commissioner Santiago
  - President’s Goals/2017-2019
  - Self-Evaluation
  - President’s Report
  - SPCR Report
  - Performance Assessment Form
- The evaluation followed criteria required by the BHE as well as criteria requested by the Board of Trustees:
  - Graduation Rate and Retention
  - Academic Management and Leadership
  - Assessment
  - Infrastructure
  - Fiscal Management and Budgeting
  - Administrative Management and Leadership
  - Decision Making and Problem Solving
  - Fundraising
  - Internal Relations w/Campus Climate
  - External Relations w/Campus Climate
- Trustee Hammond outlined the process for reviewing ratings and comments. An assessment form to rate and provide comments on each area listed will be used. A numeric rating (whole number only) is to be used as follows: 
  
  5 = A  
  4 = B  
  3 = C  
  2 = D  
  1 = F

- A summary of the comments and ratings was provided to the Board - President Maloney received an overall rating of 4.8
- The Committee agreed that President Maloney continues to serve in a very positive manner
- Since there are no guidelines for presidential compensation at this time, the HR Committee did not make a recommendation for any monetary adjustment. However, the group felt strongly that President Maloney is most deserving of any merit/salary adjustment that may be recommended by the Commissioner at a future date and will recommend to the full Board that they revisit this matter at the appropriate time.
• Trustee Hammond agreed to provide a copy of the minutes of this meeting along with a draft “Executive Summary” of the evaluation for Chairman Blais’ review and once approved by the Chairman the information will be shared with members of the full Board for any comments.

Upon motion by Trustee Fazzone and seconded by Trustee Taylor, it was unanimously

**VOTED:** to accept the report of the Human Resources Committee and approve the 2018 Annual Evaluation of President Maloney as presented and to forward to Commissioner Santiago as requested with appropriate documents to meet the June 30th deadline.

• President Maloney thanked everyone for their continued support and noted special thanks to the members of his competent and outstanding leadership team for their hard work and support.

**OTHER BUSINESS**

• President Maloney formally acknowledged Renae Lias-Clafey’s retirement effective June 30, 2018 and thanked her for all that she has done during her tenure as the Assistant to the President of Campus Communications and wished her all the best in her future endeavors

• Chairman Blais on behalf of the Board thanked her as well for her service to the Board and wished her well as she begins this new chapter in her life.

Upon a motion by Trustee Tuttle and seconded by Trustee Colombo, it was unanimously

**VOTED:** to adjourn the meeting at 7:39 p.m.

Respectfully submitted,

President’s Update

September 2018

President’s Message

The President’s Update, prepared in conjunction with each Board of Trustees meeting, is the main way we communicate progress on Worcester State University's strategic plan. It is intended to inform members of all three University boards how our day-to-day operations relate to our larger, shared goals, as laid out in our plan, "Scholarship, Partnership, and Leadership for a Changing World," which will guide us through 2020.

In 2013, I made it clear that our strategic plan would not sit on a shelf gathering dust. In addition to serving as a communication tool, the Update serves to keep University employees engaged in furthering our mission and on advancing our goals and strategic imperatives.

This year, as the plan matures, I am pleased to report that the campus is working together toward these shared goals. Our leadership teams, together with the boards, are ensuring that our finances are healthy, that our academic program is strong, and that we are furthering our mission, as an institution that "champions academic excellence in a diverse, student-centered environment that fosters scholarship, creativity, and global awareness."

The Updates this academic year will highlight institution-wide, cross-divisional initiatives that are essential to advancing the Strategic Plan. Your feedback on this Update, and on strategic plan implementation, as always, is welcome.

Date: December 21, 2017

On 12/05/17, the Speakers and Award committee met with Sierra Trudel, Tim Antonelli, Tom McNamara, Telesa Forbes and myself present. Monica Bhakhri had an unexpected obligation but provided her initial thoughts electronically. I took the minutes. We evaluated the voted on several candidates. After gathering more information on the remaining candidates, we voted electronically on 12/7 and 12/14/17. The results are as follows. Thank you for your attention. Please do not hesitate to contact with comments or questions.

SACHA PFEIFFER- RECOMMENDED FOR COMMENCEMENT SPEAKER 2018.

VOTE COUNT 6-0 IN FAVOR

Please note: Though nominated as Commencement Speaker, the Committee also voted 6-0 in favor to recommend Ms. Pfeiffer for a Community Service Award.

Ms. Pfeiffer is a Pulitzer-prize award winning journalist who works for the Spotlight investigative team at the Boston Globe. She has had a long and important career as a journalist the continues today. She is also a commentator for NPR. She was part of the Spotlight team that uncovered the Catholic Church sex abuse scandal. Moreover, she has be a dedicated journalist working for the common good of Boston and beyond for years. Her incredible professionalism, work ethic, and her commitment to speaking truth to power are attributes we want our students to emulate as they step into the next phase of their lives. Moreover, she lives locally and has deep area connections.
DEVIN MCCOURTY – RECOMMENDED FOR COMMUNITY SERVICE AWARD

VOTE COUNT 6-0 IN FAVOR

Mr. McCourty is a graduate of Rutgers University. He joined the New England Patriots in 2010 and has been named the team’s defensive captain seven years in a row (2011-2017). Mr. McCourty and his twin brother, Jason, sought to partner with a non-profit that supports children and families battling Sickle Cell Anemia and have supported The Embrace Kids Foundation.

Mr. McCourty was quoted as saying,
Sickle Cell disease affected us at a young age because my father carried the trait. I remember we took blood test at 5 yrs old to see if we carried the trait as well and it was a relief when we learned we didn’t. That didn’t end the journey with Sickle Cell because both our aunt and uncle had the disease.

He is further quoted as saying,
Growing up we were very close to our aunt Winifred and she battles with the disease daily going through many trials and tribulations. Her passion to keep fighting through everything that comes her way has driven us to try to make a difference and draw awareness to the terrible disease.

Mr. McCourty makes regular visits to area schools to inspire students. He is an articulate athlete, as demonstrated in a recent interview with the Boston Herald regarding athlete’s kneeling during the national anthem. His work for Embrace Kids Foundation, his on-going community engagement on and off the field, and his admiration by many members of the WSU community make him an excellent candidate for the WSU Community Service Award.

Mr. McCourty was nominated by Dr. Mark Wagner of the Binienda Center for Civic Engagement. Dr. Wagner wrote that he does have a personal connection to Mr. McCourty, as they are alumni of the same high school, met and have stay connected. Dr. Wagner has offered to be a resource if WSU decides to reach out to Mr. McCourty.
Sacha Pfeiffer (born September 7, 1971) is an American Pulitzer Prize-winning investigative journalist and radio host. She is known for her work with the Spotlight team run by The Boston Globe. She was a member of the group of reporters whose work in exposing the Roman Catholic church's cover-up of clergy sex abuse earned the newspaper the 2003 Pulitzer Prize for Public Service.

Personal life and career

Pfeiffer was born in Columbus, Ohio, the daughter of Janet (née Preskenis) and Richard Pfeiffer. She has a younger sister, Sonya, and a younger brother, Seth. Her father, a former state senator, is currently the city attorney for Columbus, Ohio, and her mother is a retired teacher. Her mother is of Lithuanian descent. Her grandmother was Alice Preskenis, a devout Catholic and a lifelong resident of South Boston who spent 40 years working at Pober's Clothing Store, and specialized in dressing children. Her uncle was Ken Preskenis, a well-known figure in South Boston through his involvement in community outreach.

She left Ohio for college, moving to Boston. She graduated with a B.A. and M.A. from Boston University. In 2005, she was named a John S. Knight Journalism Fellow at Stanford University. She started her journalism career at the Dedham Times in Dedham, Massachusetts. Pfeiffer originally joined The Boston Globe as a reporter in 1995, left in 2008 to work for WBUR-FM in Boston and NPR, returning to The Boston Globe in 2014. During her nearly seven years in public radio, Pfeiffer was a local host of All Things Considered and Radio Boston at WBUR, as well as a guest host of NPR's nationally syndicated On Point and Here & Now. Her on-air work received a National Edward R. Murrow Award for broadcast reporting, as well as numerous other awards.

Pfeiffer currently writes at The Boston Globe about wealth, philanthropy, and nonprofits, and has also covered travel, legal affairs, and the Massachusetts state courts.

She volunteers as an English-as-second-language teacher.

After the Spotlight team published its work, the team created a book about the events. Pfeiffer is a co-author of Betrayal: The Crisis in the Catholic Church.

Pfeiffer has also worked as an adjunct communications and journalism professor.
