STOP #5- *SHEEHAN HALL  
(#19 ON CAMPUS MAP)

Built in 2014, Sheehan is our newest residence hall featuring suite-style, co-ed residence hall living for 400 upper-class students. Each suite consists of 2 double or 4 single rooms sharing a private bathroom. On the first floor you will find our full-service dining hall at the POD (Pulse on Dining) for the entire WSU community and visitors. Take a seat with friends and enjoy the best view on campus—a two-story glass wall overlooking John Coughlin Memorial Field. The POD includes cappuccino and grill stations among a vast array of culinary options. Sheehan Hall also features traditional residence living areas, student lounges, a fitness center and a community game room.

Upper Campus  
(Wasylean Hall, Chandler Village, *Dowden Hall)  
(#16, #18, #20 on map)

Just behind Sheehan is our Upper Campus residential area. This leafy townhouse vibe and relaxed environment will make you feel immediately at home.

Wasylean Hall—apartment-style living for 348 upper-class students. Apartments house 2, 4, or 6 people; each apartment is equipped with a kitchen and common area. The University Police office is located on the first floor of Wasylean.

Chandler Village—apartment village complex for 420 upper-class students

Dowden Hall—traditional co-ed residence hall for 400 first-year students, convenience store quick dining, and multiple lounge areas.

STOP #6- STUDENT CENTER 
(#12 ON CAMPUS MAP)

At the geographic heart of campus, you will find our freshly renovated Student Center—an important focal point of community life at Worcester State. You’ll find essential services like the WSU Bookstore as well as multiple dining and snacking options at the Food Court and late-night dining on the third floor. Students enjoy the many lounges and meeting spaces here like Lancer Landing that is equipped with several flat screen LCD televisions and a game room.

The Student Center is home to freshly renovated offices for our 40+ student organizations including Commuter Services, Military Affairs and Veteran Services, WSUR Radio Station and The Office of Student Involvement and Leadership Development. The Student Center houses our International Programs Office that works with students on an individual basis for study abroad opportunities and faculty-led mission trips.

THAT’S A WRAP!

Thank you for visiting Worcester State University! Be sure to visit our website to view our upcoming open house dates and other visit opportunities. Email or call the admissions office for details or contact us with any additional questions. Our staff will happily assist you! As a token of our appreciation, please visit www.worcester.edu/drivethru to sign up for your application fee waiver.

OFF CAMPUS OFFICES:

Latino Education Institute (LEI) located on 537 Chander Street  
(#24 on campus map)

Established in 2020 the LEI has improved the academic achievement and well-being of Latino students (grades K-16) and their families from the city of Worcester. The institute has provided research and internship opportunities for Latino and other under-represented students at the university.

Worcester Center for Crafts-located on 25 Sagamore Road  
(10 minutes from campus)

The Worcester Center for Crafts provides studio space for faculty and students in the Worcester State University’s undergraduate Visual and Performing Arts Department classes in visual art, art history, and music composition. Additionally, the Center offers individual spaces for art students during their senior year.

*Buildings that have earned a Leadership in Energy and Environmental Design (LEED) Gold certification for sustainable design and energy performance from the U.S. Green Building Council include WSU’s Shaughnessy Administration Building, Wellness Center, Sheehan Hall, and Dowden Hall. WSU has been named one of the most environmentally responsible colleges by The Princeton Review four years in a row.

STOP #2- JOHN COUGHLIN MEMORIAL FIELD (#11 ON CAMPUS MAP)
Here you see our 2,500-seat, artificial turf field. Named in honor of John F. Coughlin, Sr.—one of the most successful coaches in Worcester State history—the stadium is our outdoor venue for NCAA III varsity competition in football, men’s and women’s soccer, field hockey, and women’s lacrosse. To your right, rounding out our outdoor sports complex are two adjacent competition fields, Rockwood Softball Field and Kevin Lyons Baseball Diamond.

STOP #3- *WELLNESS CENTER (#7 ON CAMPUS MAP)
Our new state-of-the-art 101,000 square foot, *LEED- Gold-certified Wellness Center, opened in September 2016. It offers the latest in exercise and weight-lifting equipment, a wide variety of group exercise classes including yoga and dance, an indoor elevated track, and locker rooms. Amenities available to our students and athletes include a multipurpose gym, a 1,500 seat competition gym, batting cages, and a golf simulator. After your workout, refuel and meet up with friends at the center’s juice and smoothie bar at Albro Lounge.

Ghosh Science & Technology Center (#8 on campus map)
Ghosh is home to our health sciences, natural sciences, and computer science departments. Our students are tackling real world problems in our science and technology labs and researching topics like “Cost-effective, green approaches to water purification.” Here you will find our occupational studies lab, nursing simulation lab, a rooftop greenhouse, cellular and molecular biology instrumentation and our Speech-Language-Hearing Center that serves the surrounding Worcester Community. Inside, you’ll also find inspiration in our fine art showcase, The Mary Dolphin Cosgrove Art Gallery.

*Shaughnessy Administration Building (#6 on campus map)
The historic Shaughnessy Administration Building is WSU’s one-stop “academic mall” of student services including the Academic Success Center, Student Accessibility Services, Financial Aid, Admissions, and the President’s Office. Shaughnessy was the first building ever built at our Chandler Street campus—we’ve been educating leaders since our founding in 1874! Here you will also find our beautiful Fuller Theater. This 166 seat theater is a performing artist’s dream. Its stylish, intimate setting is ideal for yearly plays and musical performances.

STOP #4- LEARNING RESOURCE CENTER (#13 ON CAMPUS MAP)
The Learning Resource Center (LRC) is a modern cylindrical building clad in gold with 540 rooftop solar panels. The LRC features the Library, Information Technology, Office of Multicultural Affairs, many academic departments and administrative offices, nearly twenty classrooms, and the Starbucks café. Whether you major in Communication or just take a couple elective courses, students have access to our television studio, editing suites, multimedia labs, video & photographic equipment along with photographic dark rooms all located within the LRC.

Sullivan Academic Center (#3 on campus map)
Sullivan is not only where you’ll take many of your classes, it’s also where you’ll forge connections between your coursework and opportunities to make a positive impact in the world. This academic hub is home to several action-based research centers like the Center for the Study of Human Rights, the Urban Action Institute and the Center for Pre-K-12 Initiatives in Education. This academic building also houses our 1,000-seat Sullivan Auditorium theater where student-led productions, renowned guest lectures, and community gatherings take place every semester.

Before you begin your tour, keep the following in mind:

- Visit: www.worcester.edu/drivethru
- Turn your hazard flashing lights on while stopped - this helps any campus community members know you are a visitor.
- Safety is our priority - please obey the campus speed limits and follow all traffic signs.
- You are welcome to get out of your car and walk around, but know that access to the inside of buildings is prohibited at this time.
- Take in all the sights and enjoy!

STOP #1- NORTH ENTRANCE
You are currently at our North Entrance. WSU is located on the west side of the city and surrounded by a lovely, residential neighborhood. Feel free to download the campus map to easily follow the tour stops marked numbers 1-6. At each stop, you may park your car and play the recorded audio on Sound Cloud or simply follow along using the driving tour pamphlet. As you take this driving tour, you’ll find that each building and facility helps tell the story of who we are and what we value. Our home is your home, so sit back and enjoy the ride!
