PARENT WILL FILE WORKSHEET

Parent Name: _____

If your parents have now completed their 2020 tax return, you should correct your information to reflect the income and tax information reported on their tax return. You may make corrections to your information online at www.fafsa.gov.

When you make the corrections online at www.fafsa.gov, if your parents filed a federal tax return with the IRS, they may be eligible to use the IRS Data Retrieval Tool, which is the best and easiest way to provide accurate tax information. With just a few simple steps your parents can view information from their IRS tax return and transfer that information directly into your FAFSA.

If your parents are not able to use the IRS Data Retrieval Tool, they can make the corrections online at www.fafsa.gov to reflect the income and tax information reported on their tax return.

Once complete please check the box below, provide the date completed, and sign and return this form to the WSU Financial Aid Office.

- I have successfully filed my 2020 IRS income tax return and updated my child's FAFSA (IRS Data Retrieval Tool recommended) on ___/___/___.

I/we certify that the above information is complete and correct. Do not leave any blanks. If not complete this form will be returned to you.
