STUDENT WILL FILE WORKSHEET

If you have now completed your 2020 tax return, you should correct your information to reflect the income and tax information reported on your tax return. You may make corrections to your information online at www.fafsa.gov.

When you make the corrections online at www.fafsa.gov, if you filed a federal tax return with the IRS, you may be eligible to use the IRS Data Retrieval Tool, which is the best and easiest way to provide accurate tax information. With just a few simple steps you can view information from your IRS tax return and transfer that information directly into your FAFSA.

If you are not able to use the IRS Data Retrieval Tool, you can make the corrections online at www.fafsa.gov to reflect the income and tax information reported on your tax return.

Once complete please check the box below, provide the date completed, and sign and return this form to the WSU Financial Aid Office.

- I have successfully filed my 2020 IRS income tax return and updated the FAFSA (IRS Data Retrieval Process recommended) on ___/___/___.

I/we certify that the above information is complete and correct. Do not leave any blanks. If not complete this form will be returned to you.
