Dear Student:

Thank you for your interest in the High School Scholars Program at Worcester State University.

The prospect of taking one or two university-level courses is exciting. While a challenge of this proportion is not intended for every high school junior or senior, the benefits for those with the necessary preparation and motivation can be significant as well as rewarding.

May I compliment you on your ambitious choice to attend evening classes at WSU? To begin the process, kindly complete the attached application and return it to the Office of Graduate and Continuing Education. You will also need to complete and sign a registration form (with payment) for the semester you are interested in attending.

You may have questions pertaining to the description of courses or the need for a more in-depth explanation of the content involved. Similar explanations or more specific detail on course selection can be obtained by dialing the information line (508) 929-8127 or visiting www.worcester.edu.

Thanks for considering Worcester State University, and we hope to see you on campus.

Sincerely,

[Signature]

Dr. Roberta Kyle, Associate Vice President for Continuing Education and Dean of Graduate Studies

Enclosure: Scholars Application
